

December 8, 2023

Dear families,

As our Province moves towards a goal of \$10 a day childcare by 2026, we are happy to share that the affordability grant will increase in the New Year enabling parent fees to lower.

This letter serves as notice of our monthly fees effective **January 1, 2024**.

The amount in **red** in the table below is the **monthly parent portion** with the Provincial Affordability Grant Applied.

Age group	Child Care Fee	Parent Fee
Infant (12-18 months)	\$1340	<b>\$457</b>
Toddler (19–35 months)	\$1185	<b>\$476</b>
Preschool (3 years- Kinder)	\$1055	<b>\$429</b>

We recommend that families apply to the Provincial Subsidy Program if you have not already done so as you may qualify for a further reduction. [Child care subsidy | Alberta.ca](https://www.alberta.ca/child-care-subsidy-program.aspx)

Please reach out should you have any questions
