West FRN Spoke Partners

The West Edmonton Family Resource Network, working together to help children and families thrive

About Us

We are a Registered Not-For-Profit organization to promote young children's healthy growth and development, and to enhance family wellness.

The Jasper Place Child and Family Resource Society has been in operation since 1972. Over the years, we have grown from a small child care center to an organization that in addition to comprehensive children's programs, offers a wide range of parent-related services at multiple locations in West Edmonton.
